[Video: Complio Overview](#)

http://www.americandatabank.com/VideoDirectory/complio_overview.html

Create your Account

Step 1: Create an account by going to www.southtexascollegecompliance.com. Click **Create an Account** to get started. Enter your personal information. Be extra careful with your Email Address, as this is the system's main mode of communication with you.

[Video: Creating an Account](#)

<http://www.americandatabank.com/VideoDirectory/account.html>

Step 2: Complio will send an email to the address used during account creation. Click on the **Activation Link** within the message or copy and paste the URL in your web browser.

Subscribe

Step 3: Please note: An Account is not the same as a placing an order or subscribing for tracking your immunizations. Click **Get Started** to begin your order. Select your school name and your program of study and click Load Packages. You have the options of ordering a background check as well as subscription for tracking your immunizations. Select **package 1 Criminal Background Check which includes Drug Screen and Subscription Immunization.**

[Video: Subscribe to Complio](#)

<http://www.americandatabank.com/VideoDirectory/subscribe.html>

Step 4: Other names and Residential history – Provide any alias/maiden names that have been used and provide seven (7) years residential history and click “Next” to continue.

Drug Screen Registration

Step 5: Drug Screen Location – Select the drug screen location that is most convenient for you. The current page loads based on the zip code of your current address, you can provide a different zip code to view additional locations. Once you register for a location please use that location, if you have any questions or would like a different location please contact American DataBank for assistance.

Upon completion of your order, you will receive an email with the registration and collection location you have chosen along with detailed instructions on how to complete this portion of your background check. **Please note:** If you pay for your order by money order you will not receive this information until the payment has been received. Make sure to either print out the electronic drug screen registration form or just write down the registration ID and go to the collection site you selected along with a photo ID to submit a specimen.

Important: DO NOT drink more than 8 oz of fluid in the 2 hours prior to giving a urine sample. An abundance of fluid may result in a “dilute” reading, which constitutes a “flagged” situation. It will keep you from attending clinical and requires immediate re-payment and re-testing. At the facility, if you are not able to produce a urine sample when requested, call American DataBank at 1-800-200-0853 on how to proceed.

You **MUST** complete your drug screening within **180 days** of ordering. If you do not get your drug screening done within 30 days, **YOU WILL BE REQUIRED TO ORDER AND PAY FOR A NEW DRUG SCREENING. Your DRUG SCREEN results will be emailed to you to the email you provided to register your account with COMPLIO.**
