PARAMEDIC PROGRAM APPLICATION
Associates Degree/Certificate

All applicants must meet the basic admissions requirements to South Texas College.

APPLICATION & ADMISSION REQUIREMENTS FOR STC

- Acceptance to South Texas College.
- First time College Students: Submit official high school transcripts or submit your official GED scores To South Texas College.
- Official transcripts from each college and university currently or previously attended

- Please note: Admission to any EMT program does not guarantee eligibility for the National Registry of Emergency Medical Technicians or certification by the Texas Department of State Health Services.
- The Program Coordinator and the Medical Director are the only entities that can clear you for National Registry Examination.

APPLICATION & ADMISSION REQUIREMENTS FOR THE PARAMEDIC PROGRAM

- Applicants who are enrolled in college courses at the time of application should submit an official transcript showing courses in progress. An updated transcript must be submitted upon completion of the courses. Note: Transfer credits indicated on another school’s transcript are not accepted in lieu of submitting the original institution record for that coursework.
- An updated transcript must be submitted upon completion of the courses.
- Note: Transfer credits indicated on another school’s transcript are not accepted in lieu of submitting the original institution record for that coursework.

- Minimum overall GPA of 2.5 (on a 4.0 scale).
- Proof of current successful completion of the American Heart Association’s CPR for Health Care Providers.
- 18 years of age by program completion/graduation date.
- Documentation of EMT Certification (DSHS). Students who currently are enrolled in an EMT course or who have completed EMT course work and are engaged in the credentialing process should provide a statement to this effect.
- Documentation of passing AEMT Didactic National Registry Examination.
- TSI Complete
- Completion of BIOL 2401 and BIOL 2402 with a C or Better

Clinical Requirements: Must be Clinical Compliant with the Clinical Affairs office.

Please see clinical affairs specialist in room 106 for clinical requirements prior to enrollment in the paramedic program, or visit web page at nah.southtexascollege.edu and click on “CLINICAL AFFAIRS”
Evidence of current health insurance showing dates of coverage. Unless proof of proper insurance coverage is provided before the first day of classes, students will be charged for a health insurance policy through the College.

Completion of a criminal background check.

- Directions for this process will be included in the acceptance letter. If a student is convicted of a felony or misdemeanor at any time during enrollment in the EMT Program, the student must inform the chair and clinical coordinator in writing and submit a current background check.
- Note: Criminal background checks are part of the screening process conducted by the Texas Department of State Health Services. As a result, some candidates may be ineligible for certification. Candidates with concerns about their background check should contact the Texas Department of State Health Services in Austin with their specific concerns. STC EMT department personnel are unable to make any determinations as to a potential candidate’s eligibility for certification.

Upon completion of the application requirements prospective candidates will be scheduled for an interview process.

Applicants seeking academic advisement prior to application are encouraged to visit with their EMT Program Advisors. To set an appointment contact (956) 872-3178
